PEMEX Board of Directors forms committees of the subsidiary entities

On July 13, 2010, the Board of Directors of Petróleos Mexicanos appointed members to the Strategy and Investment Committees and the Acquisitions, Leasing, Works and Services Committees of the four subsidiary entities.
Such committees, provided for in article 27 of the *Ley de Petróleos Mexicanos* (Petróleos Mexicanos Law), will provide consistency to the implementation of the energy reform, as well as execute the functions attributed to them under such law.

It was considered advisable that the committees include directors that are Mexican government representatives, including the two professional members of each subsidiary entity, as well as the representation of Petróleos Mexicanos. The professional members will act as the chairpersons of these committees.

The committees were composed as follows:

**Pemex-Exploration and Production**

Strategy and Investment Committee:

- Héctor Moreira Rodríguez, chairman.
- Jaime Enrique Zabludovsky Kuper.
- Mario Gabriel Budebo.
- Dionisio Arturo Pérez-Jácome Friscione.

FORWARD-LOOKING STATEMENTS

This report contains words, such as “believe,” “expect,” “anticipate” and similar expressions that identify forward-looking statements, which reflect our views about future events and financial performance. We have made forward-looking statements that address, among other things, our:

- drilling and other exploration activities;
- import and export activities;
- projected and targeted capital expenditures and other costs, commitments and revenues; and
- liquidity.

Actual results could differ materially from those projected in such forward-looking statements as a result of various factors that may be beyond our control. These factors include, but are not limited to:

- changes in international crude oil and natural gas prices;
- effects on us from competition;
- limitations on our access to sources of financing on competitive terms;
- significant economic or political developments in Mexico;
- developments affecting the energy sector; and
- changes in our regulatory environment.

Accordingly, you should not place undue reliance on these forward-looking statements. In any event, these statements speak only as of their dates, and we undertake no obligation to update or revise any of them, whether as a result of new information, future events or otherwise.
