Petróleos Mexicanos, a productive state-owned company of the Federal Government of the United Mexican States (the “Issuer”), Pemex Exploración y Producción, Pemex Transformación Industrial, Pemex Perforación y Servicios and Pemex Logística (the “Guarantors”) are offering, upon the terms and conditions set forth in the prospectus dated November 16, 2018 (the “Exchange Offers”), to exchange registered 5.350% Notes due 2028, registered 6.500% Notes due 2029 and registered 6.350% Bonds due 2048 (together, the “New Securities”) for any and all outstanding 5.350% Notes due 2028, 6.500% Notes due 2029 and 6.350% Bonds due 2048 (together, the “Old Securities”) of the Issuer.

The Exchange Offers commenced on November 16, 2018, and will expire at 5:00 p.m., New York City time, on December 18, 2018, unless extended. If the Exchange Offers are extended, we will publish a notice in Luxembourg, and we will notify the Luxembourg Stock Exchange of the new expiration date.

The terms of the New Securities to be issued are identical to the Old Securities, except for the transfer restrictions and registration rights relating to the Old Securities.
We will apply, through our listing agent, to have the New Securities listed on the Luxembourg Stock Exchange and admitted to trading on the Euro MTF market. All of the Old Securities are currently listed on the Luxembourg Stock Exchange and admitted to trading on the Euro MTF market.

You should consider the risk factors set forth in the prospectus before participating in the Exchange Offers.

FORWARD-LOOKING STATEMENTS

This report contains words, such as “believe,” “expect,” “anticipate” and similar expressions that identify forward-looking statements, which reflect our views about future events and financial performance. We have made forward-looking statements that address, among other things, our:

• exploration and production activities, including drilling;
• activities relating to import, export, refining, petrochemicals and transportation, storage and distribution of petroleum, natural gas and oil products;
• activities relating to our lines of business, including the generation of electricity;
• projected and targeted capital expenditures and other costs, commitments and revenues;
• liquidity and sources of funding, including our ability to continue operating as a going concern;
• strategic alliances with other companies; and
• the monetization of certain of our assets.

Actual results could differ materially from those projected in such forward looking statements as a result of various factors that may be beyond our control. These factors include, but are not limited to:

• changes in international crude oil and natural gas prices;
• effects on us from competition, including on our ability to hire and retain skilled personnel;
• limitations on our access to sources of financing on competitive terms;
• our ability to find, acquire or gain access to additional reserves and to develop the reserves that we obtain successfully;
• uncertainties inherent in making estimates of oil and gas reserves, including recently discovered oil and gas reserves;
• technical difficulties;
• significant developments in the global economy;
• significant economic or political developments in Mexico;
• developments affecting the energy sector; and
• changes in our legal regime or regulatory environment, including tax and environmental regulations.

Accordingly, you should not place undue reliance on these forward-looking statements. In any event, these statements speak only as of their dates, and we undertake no obligation to update or revise any of them, whether as a result of new information, future events or otherwise.
